THE PERFECT ADDITION TO FUN

DOCK ACCESSORIES

**The Best Accessories
for the Best Docks**

Porta-Dock offers a full line of dock accessories including benches, ladders, steps, and bumpers. See your nearest dealer for a list of all accessories.

Dock Bench

SPECIFICATIONS	WIDTH
Perfect for lounging and attaches directly to your dock.	Aluminum: 48" & 60" Cedar: 44" & 56"

FEATURES

- Arm rests are available in matching styles
- Available as deck mount or frame mount
- Available in aluminum or cedar to match decking

1. Canoe, Kayak & Paddle Board Rack

Porta-Dock racks make storage of your canoe, kayak, or paddle board simple and easy. Fits any Porta-Dock dock.

2. Shore End Ramp Section

Available for all models of docks in 4' and 8' lengths. Hinge is adjustable to allow for incline or decline use on any shoreline.

3. Corner Sections

Easily add corner sections to any Porta-Dock dock to increase the square footage of your dock.

Dock Cleat

Secures to the dock frame with no need to drill or bolt through decking. Track system and non-track system options available.

Swim-Up Bench

Easy to install directly to the side of your dock. Available in White or Beige.

Flag Pole

Adjustable flag pole extends to 15' and allows for 3'x5' flag. Includes bracket for ease of attachment to and removal from dock frame.

Adjustable Shore Steps With Optional Platforms & Hand Railings

Made entirely of aluminum, available in White or Beige, and completely customizable to your shoreline. See your nearest dealer for more details.

Tow Bar

Makes installation and removal of docks easier than ever. Made for use from in-water to shore. Not intended for road use.

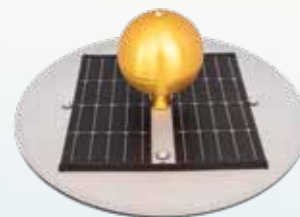

Hinges

Allows the dock to "flex" and adjust.

Ladders

Ladders available in 3-step or 4-step aluminum construction.

Flag Pole Light

Aluminum top with protected solar panels and six bright LED lights provide flag illumination. Includes automatic on/off switch for dusk until dawn use. Gold ball topper sold separately.

NEW

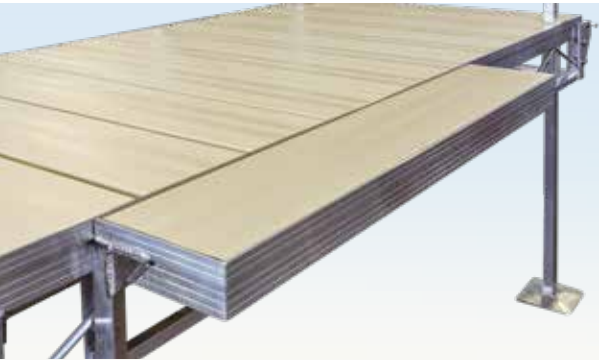

Dock Defender Bumper

Made of durable polyethylene, these 30" vertical bumpers have a diameter of 7 3/8" and slide easily over dock posts or can be mounted vertically to the dock frame. Available in Gray.

Table & Chairs

Available to fit all dock options in Brown or White.

Deck Extension

Our Deck Extension easily attaches to the side frame. Allows for easy entrance into and exit from the boat or pontoon.

Dock Bumpers

Both horizontal and vertical dock bumpers are available for all dock styles. See dealer for available colors and lengths.

Hand Railings

Lightweight aluminum railings available for all dock models and lengths.

Solar Dock Light

SPECIFICATIONS	FEATURES
The easiest, most convenient way to light your dock. At nightfall, the solar dock light's sensor automatically turns on the super bright LED. With multiple units, your dock will provide an elegantly lit pathway for all to walk on.	Lasts 18+ hours on a full charge Brighter than conventional solar garden lights Fits any Porta-Dock dock post with included mounting bracket Available in standard or surface mount

Adjustable Dock Steps

TYPE	HEIGHT
4-STEP	Adjustable 18" - 34"
6-STEP	Adjustable 22" - 42"

DOCK STEPS

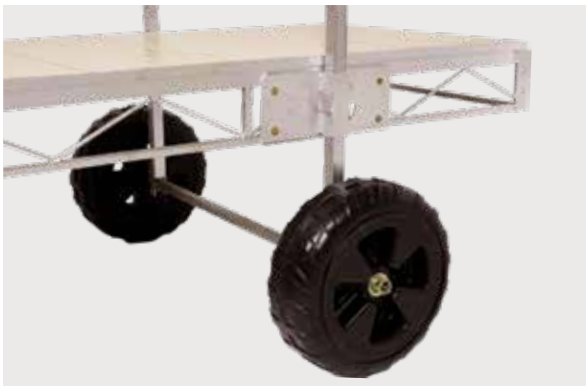

All Dock Steps come standard with handrails and adjustable legs. Custom steps available. Measurements are from top step down.

Non-Adjustable Dock Steps

TYPE	HEIGHT
4-STEP	29" - 41"
6-STEP	45" - 57"
8-STEP	59" - 71"

Economy Dock Wheel Kit

Easily bolting onto the side frame of your dock, our Economy Dock Wheel Kit provides additional support to allow for transportation over rough terrain.

Shore End Wheel Kits

Allows for easy installation and removal of your dock by rolling the shore end of your dock. Available in fixed or adjustable height models.

THE ONLY LIFT YOU'LL EVER NEED

CANOPIES & LIFTS

A Complete Line to Store and Protect

Porta-Dock offers a complete line of aluminum Boat and Pontoon Lifts designed and engineered with features that make each lift and canopy work with your boat.

VERTICAL LIFTS

FOR ANY SIZE BOAT

Constructed of high-quality 6000 series aluminum for maximum strength and durability, our lifts are rustproof, corrosion resistant, and unaffected by weather conditions or UV rays. In addition, bunk assemblies adjust both vertically and horizontally for maximum boat support.

For full warranty details, contact the Porta-Dock dealer nearest you.

PROUDLY BUILT IN DASSEL, MN

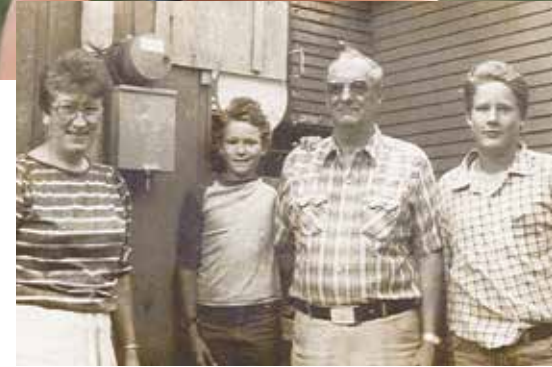

MADE FOR GENERATIONS
SINCE 1966

Lake Time Has Always Been Family Time

In 1966, from the humble beginnings of his garage, Bob Gillman knew there was a better way to engineer a dock; a dock that was easier to install and could be built to last, allowing families to create a generations worth of memories of time spent at the lake.

Today, the innovation that sparked the first-ever roll-in dock on the market continues through the passion of his family (pictured).

As an Upper Midwest and Canadian leader in docks, lifts and accessories, Porta-Dock's dedication remains focused on living up to Bob's commitment to products that are easy to install, easy to enjoy, and above all built to last a lifetime.

Lore, Brice, Bob, & Brian Gillman circa 1985

Bob Gillman with son Brian circa 1981

Bob Gillman at trade show circa 1981

MAKE LAKE LIFE EASY

LIFT ACCESSORIES

Drop Down Canopy

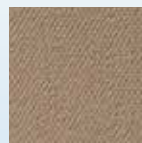

Our one piece canopy fabric attaches to any Porta-Dock lift canopy frame to create a “garage-like” enclosure. It provides added protection to your watercraft, boat, or pontoon while in the lift. Easy to attach by mounting to existing canopy frame. Our standard full mesh end canopy allows for deeper coverage while still allowing for air to pass through.

- Adjustable aluminum framework
- Double aluminum tubing runs the full length of the top
- Heat-sealed, strong, long-lasting seams
- TOP GUN® acrylic coated polyester marine fabric
- Easily cleans with mild detergent & water
- Comes standard with a full-mesh end

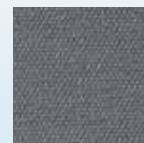

CANOPY COLORS

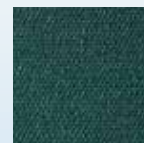

Porta-Dock TOP GUN® canopies come with a 5-year warranty and offers maximum depth, giving your boat exceptional protection from the elements.

BEIGE

CHARCOAL

FOREST
GREENONYX
BLACK

Free Standing Canopy

Porta-Dock free standing canopies provide protection from the elements when a traditional lift is not needed.

Motorized Winch Kits

Designed for optimum strength and ease of use, each motorized winch kit removes the strain from your lift and provides generous clearance and access. Adapts to existing lifts. Available as 12, 24, or 110 volt power. Remotes and solar panels optional on most models. See dealer for details. Available as a manual or auto stop without a key fob.

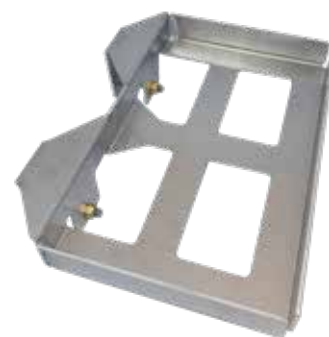

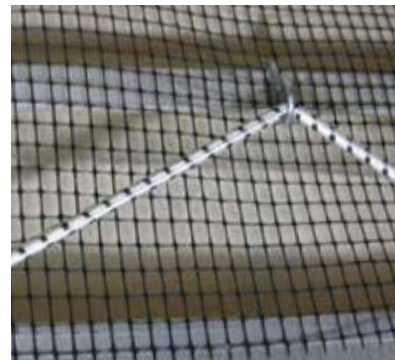

12 & 24 Volt Watt Solar Panel Systems With Charge Controller

Our solar charging systems are made from high quality, more efficient Monocrystalline Solar Cells that also provide a clean, uniform look. Each panel is enclosed in a screw-less anodized aluminum frame and tempered glass with a water tight junction box and blocking diodes.

*Mounting arm and brackets included

Bird Proof Netting

Durable, lightweight, rot resistant and waterproof mesh prevents birds of all species from nesting under your canopy. Installs in minutes.

Battery Tray Canopy Mounted

Allows a 12V battery to be mounted onto a Porta-Dock canopy. Keeps a battery for a DC power unit off your dock. Fits all Porta-Dock canopies.

Pontoon Stops

Stops your pontoon in the proper location on the lift. Adjustable to accommodate any style of boat.

Universal Bolt-On Wheel Kit For Lifts (Pair)

Easily attaches to existing lift for easy installation and removal.

Boat Stop or Motor Stop

Prevents your boat from overrunning the lift.

Guide Ons

Full-length padded guide-ons aid in proper boat placement on lift. Shown with choice of carpeted guides or roller guides.

Lift Step

Get in and out of your boat safer and easier.

BUILT TO OUTLAST EVERY SUMMER

MADE WITH PRIDE
IN THE USA

Built with Quality in Dassel, MN

At Porta-Dock, we were built on traditions of quality and innovation, and that's why we continue to build all of our products with care at our Dassel, MN facility. Just like we have since 1966. We know how valuable your time on the water is, so we do everything we can to ensure a quality product that helps give you peace of mind to make the most of your summer on the lake.

CUSTOMIZABLE COMMERCIAL DOCKS
